Message du président

Chers collègues,

J'espère que vous avez passé une agréable saison des Fêtes et que la nouvelle année commence du bon pied!

J'écris pour vous inviter à la Réunion annuelle scientifique 2018 de l'ACOM, coprésidée par les Drs David Dawe et Jean-Pierre Ayoub, qui se tiendra le 26 avril prochain à l'Hôtel Chelsea à Toronto. Sous le thème « Au-delà de la thérapie systémique – D'autres moyens par lesquels les oncologues médicaux peuvent aider les patients », le programme proposera une vaste gamme de sujets qui, je l'espère, se révéleront à la fois intéressants et pertinents pour votre pratique.

Lors de la Réunion générale annuelle, nous présenterons une mise à jour des nombreuses initiatives entreprises par le Comité directeur, notamment la situation du processus par lequel l'ACOM se prépare à devenir un organisme partenaire pour l'agrément d'activités de DPC.

Par ailleurs, lors du Souper de remise des prix de l'ACOM, la Dre Kathleen Pritchard se verra remettre le Prix « Pionnière de l'oncologie au Canada » de 2018, après quoi elle présentera la Conférence des pionniers.

Le Comité des bourses a choisi le Dr Michael Raphael à titre de récipiendaire de la bourse de recherche de 2018-2019. Je tiens à remercier chaleureusement Amgen, Janssen et Merck pour leur commandite du programme de bourses.

Au nom du Comité directeur, j'espère que vous pourrez vous joindre à nous pour la Réunion annuelle scientifique et le Souper de remise des prix de l'ACOM, qui vous permettront de parfaire vos connaissances et d'interagir et socialiser avec vos collègues d'un océan à l'autre du pays.

J'ai hâte de vous voir à la réunion!

Dr Hal Hirte MD FRCP(C)
Président de l'ACOM
