

CAMO 2022 Virtual Annual Scientific Meeting
Thursday, April 28, 2022

**“Embracing Equity Diversity and Inclusion
to Improve Cancer Care for Canadians”**

Co-Chairs | **Dr. Doreen Ezeife & Dr. Olexiy Aseyev**

CAMO 2022 VIRTUAL ASM

Overall Objectives

1. Understand the experiences of historically and/or currently underrepresented and marginalized groups.
2. Understand some of the inequities and disparities that exist in racialized communities with access to and the provision of cancer care.
3. Identify strategies to promote and foster reconciliation in oncology.
4. Develop enhanced communication strategies to promote culturally-sensitive care.

Scientific Planning Committee (SPC)

Co-Chairs

Dr. Doreen Ezeife, Tom Baker Cancer Centre, Calgary, AB

Dr. Olexiy Aseyev, Thunder Bay Regional Cancer Centre, Thunder Bay, ON

CPD Representative

Dr. Ghazaleh Kazemi, Juravinski Regional Cancer Centre, Hamilton, ON

Committee Members

Dr. Desiree Hao, Tom Baker Cancer Centre, Calgary, AB

Dr. Sharlene Gill, BC Cancer, Vancouver, BC

Dr. Stephen Welch, London Regional Cancer Program, London, ON

Dr. Bruce Colwell, Queen Elizabeth Hospital, Halifax, NS

Use **#CAMO22** when you tweet to participate in virtual conversations & share what you're learning with colleagues

NEW: Please visit the Virtual Poster Hall that is open to all meeting attendees. A link will be sent to you a few days before the ASM.

This event is an Accredited Group Learning Activity (**Section 1**) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by the Canadian Association of Medical Oncologists. **You may claim a maximum of 3 hours** (credits are automatically calculated).

This activity is an Accredited Self-Assessment Program (**Section 3**) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by the Canadian Association of Medical Oncologists. **You may claim a maximum of 1 hour** (credits are automatically calculated).

2022

CAMO Virtual Annual Scientific Meeting | Thursday, April 28, 2022

Thursday, April 28, 2022

10h30 – 10h45 **Welcome remarks from CAMO President – Dr. Desiree Hao**

10h45 – 11h45 **Sponsored Symposium by **

11h45 – 12h00 **Break & viewing of virtual poster hall**

12h00 – 14h00 **CAMO Oral Presentations (12 presentations)**

Objectives (7-minute presentation, followed by 3-minute Q&A)

At the end of the session, participants will be able to:

1. Describe recent research findings in the field of Medical Oncology.
2. Describe interesting cases in the field of Medical Oncology.

- 12h00-12h10: **Characterization of Immune-Related Adverse Events and their Impact on Outcomes in Metastatic Melanoma (MM) treated with anti-PD 1 alone or in Combination with anti-CTLA4 Immunotherapy** | **Alexander Watson**
- 12h10-12h20: **Treatment of relapsed small cell lung cancer in the real-world: a comparison of platinum-etoposide rechallenge and cyclophosphamide-doxorubicin-vincristine (CAV) chemotherapy** | **Sara Moore**
- 12h20-12h30: **Updated data on the role of local ablative therapy for oligoprogressive disease in oncogene-addicted non-small cell lung cancer** | **Chun Cheong Tsui**
- 12h30-12h40: **The impact of virtual oncology care on chemotherapy continuity and clinical outcomes in patients treated for colorectal cancer during the COVID-19 pandemic** | **William Phillips**
- 12h40-12h50: **Nivolumab in Squamous Cell Carcinomas of the Head and Neck (SCCHN): A real world outcome study in Ontario, Canada** | **Arman Zereshkian**
- 12h50-13h00: **Real World Patient Eligibility for Lurbinectedin/Doxorubicin in Small Cell Lung Cancer** | **Rebekah Rittberg**
- 13h00-13h10: **Survival outcomes associated with chemotherapy-induced neutropenia in the adjuvant treatment of colorectal cancer with FOLFOX** | **Sara Trincao-Batra**
- 13h10-13h20: **Karnofsky Performance Status (KPS) ≤ 60 is strongly associated with shorter Brain-Specific Progression-Free Survival among patients with metastatic breast cancer with brain metastases** | **Mark Freeman**
- 13h20-13h30: **Role of Serum Tumor Biomarkers in the Diagnosis and Objective Clinical Assessment of Non-Small Cell Lung Cancer** | **Scott Strum**
- 13h30-13h40: **Real-world analysis of outcomes of patients receiving bevacizumab for recurrent glioblastoma in British Columbia** | **Manik Chahal**
- 13h40-13h50: **Applying the eHEALS scale to assess the degree of electronic literacy among geriatric patients attending a skin cancer clinic at Princess Margaret Cancer Centre** | **Mauricio Ribeiro**
- 13h50-14h00: **A residency training program analysis of paclitaxel infusion reactions: Are we over-ReACTInG?** | **Jamie Feng**

14h00 – 14h10 **Break & viewing of virtual poster hall**

2022

CAMO Virtual Annual Scientific Meeting | Thursday, April 28, 2022

Thursday, April 28, 2022

14h10 – 14h15 **Sponsor Recognition – Dr. Desiree Hao**

14h15 – 15h15 **CAMO Keynote Speaker * CLAIM SECTION 3 CREDITS**

Challenge & Change: Towards Palliative Care Equity in Our Communities | Dr. Naheed Dosani

Objectives (45-minute presentation + 15-minute Q&A)

At the end of the session, participants will be able to:

1. Reframe the concept of equity-oriented palliative care.
2. Describe the experiences of people who experience structural vulnerabilities (eg poverty, homelessness, mental illness) and how they experience significant barriers to accessing palliative care.
3. Provide examples of community-oriented solutions that derive palliative care equity by design in the context of health justice advocacy.

15h15 – 16h00 **How can cancer care in Canada ensure broader inclusivity of all populations and better address:**

- **Serving our Patients: Reconciliation in Healthcare**

Dr. Katherine Chubbs

Objectives (15 minute presentation)

At the end of the session, participants will be able to:

1. Participants will gain an understanding of why reconciliation initiatives are important in healthcare.
2. Participants will be able to identify strategies that should be used in healthcare to foster reconciliation.

- **Culturally Safe Cancer Care for Racialized Communities: Using Palliative Care as a Model**

Dr. Amit Arya

Objectives (15 minute presentation)

At the end of the session, participants will be able to:

1. Understand some of the inequities which exist in racialized communities with access to and provision of cancer care and palliative care
2. Understand cultural and religious values and how they may have a large impact on decision making
3. Develop communication strategies which promote collaborative decision making and decrease bias

- **Canadian Partnership Against Cancer (CPAC) Taking an Equity First Approach**

Ms. Cheryl Louzado

Objectives (15 minute presentation)

At the end of the session, participants will be able to:

1. Demonstrate an understanding of the Canadian Strategy for Cancer Control – an equity first approach to implementation
2. Integrate a EDI lens into cancer control systems – the approach, our roles and an example

16h00 – 16h15 **Panel Discussion: Dr. Katherine Chubbs, Dr. Amit Arya & Ms. Louzado**

16h15- 16h40 **CAMO 2022 Fellowship Recipient – presented by Dr. Bindi Dhesy-Thind**

CAMO Awards – presented by Dr. Desiree Hao & Dr. Stephen Welch

CAMO Best Resident Abstracts – presented by Dr. Doreen Ezeife & Olexiy Aseyev

16h40 – 17h00 **Closing remarks – Dr. Desiree Hao, Dr. Doreen Ezeife & Dr. Olexiy Aseyev**
